The Addendum Statement should be used for explanation of any additional information needed to complete an accurate filing of this report.

For contributions received during the General Primary Runoff period, the comment "(Runoff)" to designate such contributions has been added to the contributor section of the disclosure. The disclosure form does not have a code for General Primary Run Off or the other runoff elections in the "Election Cycle" column. This could be a future enhancement to this form. In addition, the word expenditure is misspelled within the form in the Expenditure Type column of the expenditure pages.

As of 9/30/08, the total of deferred payments and loan is \$94,253.37.

An attachment called Payee List is attached due to disclosure form not permitting full address to be typed into the form for the expenditures.
